SUBJECT: COUNTY CHILDREN'S TRUST FUND SHARE OF KIDS' PLATE REVENUE

We are pleased to inform you that within the next 90 days we will be distributing Kids' Plate revenue for State Fiscal Year (SFY) 2005-2006.

The total revenue for SFY 2005-2006 is \$415,000. Each county's share is based on their proportion of the State's children's population age 0-18 as reported by Department of Finance statistics ending June 2005. The allocations for SFY are shown on the attached chart (Attachment A).

The California Department of Motor Vehicles generates the Kids' Plate revenue from initial and renewal fees for custom and sequential California "Kids" vehicle license plates. The intent of the revenue is to strengthen the health and safety protections for children and to help fund programs to reduce child injury and child abuse. Pursuant to Welfare and Institutions Code Section 18285 and Motor Vehicle Code Section 5072, Kids' Plate revenue is deposited in the Child Health and Safety Fund. Statute requires that it be distributed as follows:

- 50 percent to the Community Care Licensing Division within the California Department of Social Services.
- 25 percent to the Childhood Injury Control Program within the State California Department of Health Services.
- 22.5 percent to County Children's Trust Funds.
- 2.5 percent to the State's Children's Trust Fund.

To facilitate your efforts toward preventing child abuse and neglect, we encourage you to coordinate the use of the Kids' Plate revenue with your Child Abuse Prevention,
